

Assistive Technology CE Courses for Busy OTs

OccupationalTherapy.com offers 300+ online courses to keep you on the leading edge of your field. Our robust library includes dozens of assistive technology courses tailored to the needs of both new and experienced clinicians.

Assistive Technology Video Series

Clinicians serve clients of all ages and conditions. Many clients require some type of assistive technology, including wheelchair seating and mobility. This series comprehensively presents this information.

Presenter: Michelle Lange, OTR, ABDA, ATP/SMS
