

Simucase Student Ambassador

Overview:

A Student Ambassador's primary function is to help undergraduate and graduate students who share their major learn how Simucase can improve their clinical-decision making skills. The front-line representatives of our innovative technology, our Student Ambassadors are committed to excellence and they help build a strong foundation for the success of Simucase.

Responsibilities:

- ◇ Provide feedback for new simulations
- ◇ Test new program features
- ◇ Promote Simucase appropriately on social media
- ◇ Participate in focus groups as needed
- ◇ Assist students at your university with the Simucase platform

Rewards:

- ◇ Complimentary Simucase membership during the semester(s) in which you participate in the ambassador program (\$99/year value)
- ◇ Online recognition
- ◇ Mentorship from specialized Simucase staff
- ◇ Simucase swag
- ◇ Resume builder

Simucase Student Ambassadors are asked to sign a release form granting Simucase permission to recognize them online (e.g., via the Simucase website and/or social media channels).
