

simucase

WANT TO DISTINGUISH YOUR BRAND among students and faculty?

A Simucase sponsorship delivers high exposure to thousands of students and faculty at over 200 universities.

Simucase is an innovative technology platform allowing users to assess, diagnose, make recommendations, and provide intervention for virtual patients. It encourages critical thinking and facilitates interprofessional education in a no-risk learning environment.

Simucase Sponsorship

Each simulation sponsorship includes:

- Four years of access to custom clinical simulation
- Customized simulation creation to highlight your specialty area
- Branding opportunities within the simulation
- Promo code to track reporting and use
- Supplemental links to your company information
- Simulation of your company's products such as screenings, assessment tools, devices, intervention materials, and equipment

To learn more about simulation sponsorships, contact:

Clint Johnson, MA, CCC-SLP, CHSE
